

INLAND EMPIRE CHAPTER
AMERICAN SOCIETY OF HEATING, REFRIGERATION,
AND AIR CONDITIONING ENGINEERS

THE ASHRAE ACTUATOR

President's Message

Your ASHRAE chapter needs your help. As you know, ASHRAE is a volunteer organization, especially at the chapter level. The success of our chapter and its activities depends on your participation. We appreciate the efforts of all our members.

The ASHRAE Spokane HVAC/R Expo quickly approaching. Scheduled for Wednesday, November 2nd, the trade show is fully booked. We have over 35 exhibitors who want to get to meet you. Here are some ways you can help.

First, plan on attending the trade show and bring your coworkers.

Second, help get the word out. Forward the trade show announcement to your contacts. Make a few calls and invite your clients.

Third, volunteer to help on the day of the show. We need your help with the reception desk and the ASHRAE booth for one or two hours.

A special thanks to everyone that participated in the Golf Tournament. Thanks to Chuck Estey of Northwest Mechanical Engineering for organizing the event. We want to thank all of the hole sponsors and the gift donors. Please take a look at the list of sponsors and donors on the following page.

Our chapter depends on the volunteer efforts of our members. Take a moment to think about how you would be able to contribute to the success of the chapter.

Dave Reames, P.E.
Inland Empire ASHRAE President

INLAND EMPIRE ASHRAE OCTOBER MEETING

Place:	Double Tree Hotel 322 N. Spokane Falls Court Spokane, WA 99201
When:	Wednesday, October 19th 11:30-1:00
Cost:	\$20.00 (Cash or Check)
Topic:	<i>"Beekeeping, People and Places in the Republic of Georgia"</i>
Speakers:	Jim Miller

Lunch:
Deli Roast Beef Plated Sandwich
Chef's Choice Dessert

Please confirm your attendance by going to www.ie-ashrae.org or by contacting Matt Landoe at mattl@atsinlandnw.com

THIS MONTH'S SPEAKER: Jim Miller

"Beekeeping, People and Places in the Republic of Georgia"

Jim spent a month in Georgia working with the Ambassador to Georgia, local beekeepers and teachers to set up beekeeping classes and programs. At the same time, Jim spent an extensive time documenting the interesting mechanical systems in the former Soviet Union. We sometimes complain about our own government rules and regulations, but a picture visit to Georgia will

surely help you appreciate what we have in America, while also giving you a glimpse of the challenges others face as they re-build their country.

Announcements

- Congratulations to Craig Rummer P.E. for passing the P.E. Exam
- Be sure to check out the flyer for the upcoming ASHRAE Tradeshow

If you would like other announcements to share with the chapter please contact Mike Dillon at michaeld@lseng.com

2005 GOLF TOURNAMENT Recap

We had a great time at our annual golf tournament this year with the total net profit just a few dollars short of \$2000. We would like to thank all of the participants for joining us. We would also like to give Special recognition to our hole sponsors:

- Controls Solutions Northwest
- Vemco,
- Bullock Trane Service Co.,
- Colmac Coil
- Proctor Sales,
- Industrial Air systems
- ATS Inland Northwest
- KMC Northwest
- Washginton Air Reps,
- Parmely & Associates
- Suntoya
- Mechanical Sales
- Northwest Commercial Air
- Airefco
- Market Equipment
- Standard Plumbing Heating
- Controls
- Mechanical Solution NW
- Columbia Hydronics

Prizes were also donated by the following: Proctor Sales (\$40 Gift Certificate to Wandermere Pro Shop), Washington Air Reps (2 1/2 dozen golf balls, Soft Sided Brief Case, Green Repair Tool, Flashlights), Vemco (\$100 Gift Certificate to Spencer's Steakhouse) and KMC Northwest (\$20 Cash).

- Jacob L. Deering
- Daniel Schnell
- Todd A. Chase

Tradeshow News: The tradeshow is now in full swing. All booths are rented, but we can make spots for two additional exhibitors if anyone has a last minute desire to join the show.

All of the guest lecturers are scheduled with a very interesting program list, with a strong emphasis on high performance buildings. Please go to the ASHRAE website at ie-ashrae.org for the latest trade show brochure. You can also download the PDF file and send it to your friends and anyone you may want to invite.

We still need some help for the show in a number of key areas, mostly manning the ASHRAE booth and helping with the training ticketing. If you can help, please call me at 981-0886. Your help will be very much appreciated, and a great way to get involved in ASHRAE!

This trade show is a great time to bring your friends and learn about the latest HVAC products and trends. Hope to see you there!

Advertising Section: This spot is reserved for our sponsors. For \$50 per year, a business card type ad can be placed in this area. The funds from the sale of ad space helps support our Inland Empire ASHRAE website. Please contact Alan McFarling at 534-9533 to place an order. E-mail your ad copy to alanm@vemcoinc.com. Thank You

Other Upcoming Events and Information

- We are still looking to fill the position of Inland Empire ASHRAE Treasurer
- ASHRAE Green Building Seminar April 19th from 4-8 Pacific Standard Time. This is free to ASHRAE members. Stay tuned for a viewing location.

*Thanks to our Sponsors for helping support
the ASHRAE Website!*
